The Winnipeg Circus Club is a group dedicated to supporting and developing the circus arts community in Manitoba.

We strive to build and grow a **safe**, **rich** and **vibrant** performance community by offering a diverse array of services to our members, introducing new people to the world of circus skills, and bringing performers and audiences together.

Sleepy the Clown, Giggles and Honey Meringue

Sleepy the Clown is excited to return as your emcee for this 10th Circus Club Showcase! This time bringing the whole clown alley including Giggles, Honey Meringue and their horse. Sleepy has been clowning around Manitoba for 30 years, from Churchill to Emerson and on the other side of the world in Dubai and India.

Giggles has been juggling for nearly as long. Giggles and Honey Meringue made their Fringe debut in their original show in 2023. This mother and daughter duo are sure to melt your heart.

Louis

Over a decade ago, on an unassuming Sunday at the broadway neighbourhood centre, Louis began learning to ride a unicycle... after much peddling and much falling he has made his way back to the stage... just in time.

Charla and Zephyr

Charla and Zephyr are a mother and child team who like to dance and play together.

Max and Sage

We are Max Tierney and Sage Ramsfield! We are neighbours and good friends! Both Queer artists, and have similar tastes! We are almost the same age, with Max being one year older, and shorter (which Sage won't let him forget).

Do you remember your childhood?
